

Health Professional Workshop

This online workshop is for health professionals involved in the direct care and support of people with type 1 diabetes.

During this workshop, you will:

- Gain confidence in supporting your clients after they attend an OzDAFNE program.
- Learn the OzDAFNE guidelines for insulin dose adjustment, carbohydrate counting, hypoglycaemia management, ketone and illness management, and exercise.
- Hear from an OzDAFNE participant.
- Learn how to refer your clients to OzDAFNE.

The OzDAFNE Health Professional Workshop is an ADEA Endorsed Educational Program.

Successful completion of the workshop provides attendees with 7 CPD points.

"The workshop is a fantastic learning opportunity and very enjoyable – I found it an easy pace to follow, with opportunities to go through calculations in my own time."

This workshop is delivered online as a mix of pre-recorded presentations and activities to support your learning. You can complete it at your own pace and at a time that fits your schedule.

Cost

\$160 (inc. GST) per person. Group discounts for 7+ are available by contacting OzDAFNE.
